

Terry Hudson is a nationally recognized expert of vocal music, adjudication, choreography, score arranging, show design and professionalism. He has worked with and directed amateur to nationally recognized ensembles throughout the United States since 1994. Terry has designed and choreographed shows for private and public ensembles including major universities throughout the Midwest. Terry is currently on staff for several private and public ensembles across the country.

“Adjudication encourages students to make every effort towards excellence in all they do, rewarding high achievers and guiding emergent talent to reach higher.” ~ Terry Hudson’s Judging Philosophy
